

AVAILABILITY OF 2021-22 TEACHER HANDBOOK ONLINE

The Teacher Handbook is available on the internet. Go to the school webpage at <http://www.scs-ne.org/> and click the "Policies/Handbooks" icon.

Because of the expense of printing the handbooks, we are asking that you consider using the internet to access and review the Teacher Handbook rather than a paper copy. Using the internet to access the handbook will allow the district to direct printing dollars to instructional needs and eliminate the need for you to search for your handbook when you have questions throughout the year. Thank you for considering this new use of technology to improve school-home communication.

Please complete and return this form by **Tuesday, August 17, 2021**. This will allow us time to get the Handbook to teachers who prefer a paper copy before the school year starts while avoiding the necessity of printing more copies of the Handbooks than necessary.

- Thank you for providing the Teacher Handbook online. I will review it on the internet. My signed receipt below acknowledges receipt of the Handbook in a satisfactory manner via the internet.**

- I prefer a paper copy of the Handbook.**
